

REMINDER about the MSTCA Annual Canned Food Drive at the MSTCA:

As we are assuming you are well aware, most of the food pantries are hurting for canned goods and non-perishables. The demand is at an all-time high. We have been doing this canned food drive for over 11 years. Last year we had a great response, so we would like an even bigger response this year. The collected items will be divided between 4 food pantries. Please take the time to inspire your athletes to give us at least one canned good during this food drive, and have your captains play an active part to make this a great food drive.

The team with the highest number of canned goods will receive a gift certificate for a pizza party worth \$100. For a team to be eligible they must bring in at least 50 canned goods.

The items will be collected at the t-shirt table. Please ask your team to bring the canned goods in plastic bags or boxes to make the collection and distribution much easier. Please don't wait until the end of the meet. Bring them to the t-shirt table as soon as the team arrives. If you have a lot of canned goods please have the number of total items counted ahead of time!

It's not hard work on your part to ask the kids to respond to this need. Please just keep reminding your athletes of this wonderful cause put together by the man himself, Frank Mooney!
