

new balance

is offering to all who preregister for the England Track & Field Clinic a chance to purchase one pair of the new New Balance 860 shoes for only \$50.00. These shoes retail for \$110.00. These shoes will not be available to those who's clinic registration is received after March 2nd or to those who post-register at the clinic.

To purchase your pair of the New Balance 860 you must do the following: You must be preregistered to attend the New England Track & Field Clinic by March 2, 2012. This order form must be received by March 2, 2012 along with a check (other than your clinic registration fee) for \$50.00 made out to the MSTCA.

Your shoes will be waiting for you at the New Balance Booth in the clinic vendors area. Clinic ID must be presented to receive your shoes.

This shoe is a moderate support shoe that weights only 11.8oz. It was recently named the winner of the Runner's World Editors Choice Award. This shoe is built on a performance last with an Acteva-Lite midsole foam and N-ergy + Abzorb heel crash pad.
