-2012 MIAA OUTDOOR TRACK RULES-

- A. **DIVISIONS:** Schools will compete in divisions listed on the MIAA Alignments 2009-2013 Web Site, <http://www.miaa.net/alignments-09-13-home.htm>
- B. All MIAA rules will be followed. High School Track and Field in Massachusetts for both boys and girls is governed by the National Federation Edition of Track and Field rules.
- C. Competitors must wear the proper school uniforms or they will not be permitted to compete in the meet. When other apparel is worn under the school uniform it must be a solid color. All relay team members must wear the same color and design school uniform. In a relay, when other apparel is worn in addition to the school uniform, it shall be of the same solid color for all teammates choosing to wear them. The uniform and jewelry rules will be strictly enforced. **JEWELRY/UNIFORM RULE: All teams – via their coach – will be issued a team warning (as a final reminder to coaches & competitors to check for jewelry and to remove it prior to the competition) prior to the meet from the Tournament Director. After the team warning, any new violations will result in that individual being disqualified from the event.**
- D. All competitors must be accompanied by a coach or school representative who must remain at the meet or the competitors may be disqualified.
- E. Starting blocks will be furnished.
- F. Non-competitors and coaches will **NOT** be allowed inside the track except for Certified Pole Vault Coaches – 1 per team. Once the meet has started there will be no warming up allowed on the track. No one will be allowed to warm-up on the infield. Individual competitors or teams may be disqualified for failure to adhere to this rule.
- G. **Awards:** Medals will be awarded for 8 scoring places in each event. Plaques will be awarded to division winning teams and runner-ups. Scoring will be 10-8-6-5-4-3-2-1.
- H. **Finality of Decisions** – The referee's decision in all matters shall be final and without appeal except in those meets for which a Jury of Appeals has been established for that special purpose. The Jury of appeals then will have the final authority. In order to have an appeal processed, a coach must submit the appeal in writing to the referee within thirty (30) minutes after the results are published.
- I. **Jury of Appeals:** Will be composed of three (3) officials and two (2) coaches.
- J. Each school may enter as many competitors in an event as have met the QUALIFYING STANDARDS THIS OUTDOOR TRACK SEASON.
- L. **Schools must do the Pole Vault Weight Certification Form via electronic entry. Failure to submit this form will result in the athletes not being allowed to compete.**
- M. **Medical Coverage:** *A licensed athletic trainer, physician, physician's assistant, certified EMT, or nurse practitioner will be available at all MIAA Divisional and State Track Meets. The MIAA will compensate for this coverage at these sites.*
- N. **RESPONSIBILITY OF PARTICIPATING SCHOOLS**
All schools are responsible before, during and after a contest for the proper conduct of their coaches, athletes, students and spectators and when requested a school must complete a report regarding the contest in which a problem occurred.
- O. **Relays:** All names must be turned in for eligibility - four names & 2 alternates. Coach must verify actual names by 2 mile final.

ALERT: IMPORTANT ENTRY FORM INFORMATION

It is the athletic director and/or coaches' responsibility to correctly fill out all tournament entry forms. Tournament directors will make courtesy calls identifying errors whenever possible. However, this in NO WAY places the responsibility for the entry form correctness with the tournament director. If there is an undetected error, the Athletic Director/Coach will accept the responsibility, even if the error means athlete(s) is/are ineligible to compete in the championship meet.

Electronic entry via the Direct Athletics website certifies that you **have read and agree** to the following: We have read, understand, and will abide by the MIAA Handbook as well as the rules for Indoor Track. Further, we have received and read the entire Indoor Track Format and agree to abide by all the requirements contained therein. We alone are responsible for Schedule/Rule violations and we realize that rule violations will result in Tournament Disqualification.

Your entry must be posted on the Direct Athletics website by Tuesday, May 22, 2012 at noon. Failure to post this entry on time will result in a late fee of \$300 per athlete per event. (see page 2 of format for Late Entry Information). **All** changes if made must be completed by noon on Wednesday, May 23rd with your Tournament Director. You can not access Direct Athletics after noon on Tuesday, May 22nd.

Entry Process: Entries done on Direct Athletics Website: www.directathletics.com

- 1 – Each school must have a user name and password for Cross Country, Indoor Track, and Outdoor Track. Schools have the option of setting up one account for all three seasons, or separate accounts for each season. Athletic Directors with input from their coaches should make this decision. If you already have a Direct Athletics account for your team/school, you do not need to create a new one.
- 2 – Contact information: The coach must be listed as the contact. Each tournament director will have access to this information. Please do not list the school Athletic Assistant or Secretary, as this will delay the process when an issue arises or last minute information is needed. Information should include current e-mail and phone number(s), the number should be accessible, since most meets occur on weekends.
- 3 – **Rosters need to be updated as the season goes along, this will make the entry process go smoother at the deadline time.**
- 4 – Once your entries are completed you must print out a copy of your entries and check for accuracy. You will make updates and be able to edit changes up to the deadline. After the deadline there is still the MIAA late entry fee process that is listed in this MIAA Indoor Track Format (\$300/athlete/event). Entry deadline is Tuesday, May 22, 2012 at noon.
- 5 – Outdoor Track – every individual will be entered with seed performance; and each relay team will be allowed to enter up to 6 names, listing the first 4 in order and then list the 2 alternates.
- 6 – **When entering athletes keep these rules in mind:**

I. PARTICIPATION RULE

An athlete may participate in a maximum of three (3) events with the following limitation:

Two Track and One Field Event

Or

Two Field and One Track Event (relays are track events). ***An athlete will be considered a participant in an event if the athlete remains entered in that event when the final call is made for the 400 meter hurdles.***

ENTRY LIMITATIONS – Relays

Any athlete may be entered in a relay. However, an athlete's **PARTICIPATION** in a relay event is subject to the Participation Rule above.

Example: ***Joe Jones entered in:***

1 Mile, 2 Mile, 4x400, 4x800 – If Joe is to run a relay, the coach would have to scratch Joe from either the 1 or 2 mile prior to the final call for the 2 mile. If Joe scratches from one of his individual events, he can run one relay; from both individual events, he can run 2 relays. Under no circumstances can an athlete run 3 relays.

II. SCRATCHES

All Field event scratches must be made with the event official (at the event) before the event begins.

All running event scratches must be made with the Clerk prior to the beginning of the first running event. Scratches made after the running events have started will not change an athlete's participation status.

III. RELAY TEAMS

Each athlete's name **must be entered** electronically (up to 6 names per relay event).

ADDING ATHLETES:

ADDING OR CORRECTING EVENTS; CHANGING PERFORMANCES:

Late Entries: Any corrections (on time/distance) or omissions (additional entries) must be accompanied with PO# (or check to MIAA) for \$300 per athlete per event. All corrections must be completed by noon on Thursday, May 24th with the Tournament Director. No changes will be allowed on the switching of events for any athlete. **If there is a change to a performance the new performance must have been attained prior to the cut-off date.**

**** IMPORTANT INFORMATION **** **CERTIFICATION PROCEDURES**

- Individual athletes must be bona fide members of your high school team as recognized by the MIAA and must achieve the qualifying standards as published in this format.
- Qualifying performance must be obtained in a bona fide MIAA High School Track Meet, officiated by certified track officials during the **current indoor track season only** and must use EXACT PERFORMANCE!
- **CERTIFICATIONS WILL BE PRESENTED PRIOR TO BEING ABLE TO PICK UP THE SCHOOL'S PACKETS.**
- Acceptable forms of verification include a certification form (as found in the format) signed by the certified meet official working at that meet, HYTEK Team Performance list results signed by a certified meet official at the meet, meet results sheet signed by a certified official at the meet, or official league performance list signed by a certified official at the meet.
- Failure to produce verification when asked will result in competitors not being allowed to compete in the meet.
- Performances, that do not meet qualifying standard, will be challenged by the meet director.
- Other qualifying performances can be challenged throughout the meet.
- Any competitor found not to have met qualifying standards shall be disqualified from the event in question and the rest of the meet.
- A violation of qualifying criteria (**must use exact performance**) will involve follow up with school administration and may involve a hearing before the MIAA Cross Country and Track Committee.

ELECTRONIC ENTRIES – Entered through Direct Athletics. The Confirmation Page should be checked with the original entry document for errors and if any are found the entry should be resubmitted. **You are responsible for bringing your athlete's certification forms to the divisional meet.**

P. **Coaches should carefully review the order of events & the posted entry lists to anticipate conflicts between events for athletes entered in multiple individual events.** This is especially important for athletes entered in 2 field events. If a coach anticipates a conflict, s/he may request a change in flight from the meet director. Such requests will be considered carefully by the meet director, but the director has the sole authority to grant or deny these requests. **All such requests must be made by Thursday at 6PM prior to the meet.** Coaches should note that, in the horizontal field events, flights will consist of 12 athletes whenever possible.

Q. **EXCUSED TIME FROM FIELD EVENTS**

Competition order changes for multiple-event competitors & excused time from field events:

- Only reason for changing the order is for competitors in other events, not for other reasons or a competitor's personal convenience.**
- Maximum excused time will be 15 minutes (from time excused until available for trial/attempt). Athlete must check out with official.**

R. **College Board Examinations**

There shall be no postponements of games/meets because of conflict with College Board Examinations. ***Athletes that feel they have a chance of qualifying for the State Meet should be encouraged to take the SAT examinations in May.*** In addition, please note the College Board has established SAT testing dates of May 5 & June 2, 2012.
