How to enter on Direct Athletics for the 2014 MSTCA Kalperis Relays:

**RUNNING EVENTS**

On Direct Athletics to enter a running event go to the relay and check it off. You are not required to put a time or list athletes names for running events. See the meet entry instructions: # 9 Meet Day Instructions.

**FIELD EVENTS**

Before you can enter a field event you need to go into Direct Athletics and do the following:

- (1) you need to add to your DA roster the following athlete(s) for the relays;
- (2) in your girls and/or boys roster you enter an athlete with the last name of your school: example: last name (your school – i.e. Boston)  
first name **“girls” if you want to add a girls field event team or  
“boys” if you want to add a boys field event team**

**So you have: “Boston, Girls” and “Boston, Boys” now in your roster**

So on your Direct Athletics roster to enter a girls field event team go to “Boston, Girls” Once you have selected “Boston, Girls” check the girls field events you intend to enter (HJ, LJ, SP). The same process is followed for a boy’s field events.

You enter the field event athlete *once*. Entering “Boston, Girls” means you entered a field event team (HJ, LJ, SP) and the meet director will complete the required process. Each field event must be checked off to be included in the event.

You are not required to enter names or performances for field events. See the meet entry instructions: # 9 Meet Day Instructions.
