Please make sure you read the entry instructions contained in the Entry Blank for specific information. It will save you time.

**RUNNING EVENTS:** just check the running relay entered. DO NOT include names of athletes or performances in the relay.

**FIELD EVENTS:** you need to add a new athlete, if you have not done so already, to your roster.

Example: adding to girls roster – First Name, “Girls”; Last Name, your school name “Boston”. Follow the same process to add a “Boys” “Boston” individual.

Then, if you want to add a girl’s field event team go to Direct Athletics and bring up your new student “Girls Boston” Then check the field events you want to enter. Enter each field event only once. This indicates you want a field event team in Long Jump, or Shot Put, or High Jump. Do the same process for a boy’s field event.
