

## MSTCA Members

MSTCA Executive Board proposed the formation of a “Seeding Committee” to support the MIAA Tournament Directors in their screening of Championship entries and in the identifying of both fraudulent entries and violations of the established entry procedures. This proposal was recently accepted by the MIAA XC/TF Committee.

The intention of supporting all Tournament Directors as they carry out their duty of verification of tournament entries especially given the limited time available to do so.  
Process

### Seeding Committee to assist Tournament Directors

1 - Each member will review events assigned by the TD, and monitor 10 days prior to MIAA deadline.

2 - Any infractions or violations will be reported to the TD - who will maintain a log and contact the school in question.

3 - Each TD will send a final list (PDF) of all entries to each member who will review/make note of any questionable performances, and report to TD by noon time of posting day for entries.

4 - TD's will make all final decisions and report to MIAA Liaison.

Both the MIAA & MSTCA will seek active coaches who would like to nominate themselves for these committees by MIAA Divisions - Indoor: 1, 2, 3, 4, & 5. Final selection decision will be done by TD & MIAA Liaison.
