

**To all those attending the meet this weekend at the Wrentham Developmental Center (or for the Frank Mooney Invite or States):**

- 1. Buses will enter/exit in the same area (not the car entrance, as has been past practice).**
- 2. Athletes, coaches, & spectators must follow the designated crossing from buses to the XC course.**
- 3. No athlete or team may enter the WDC campus for warm ups, warm downs, or any other reason. Any athlete/team will be automatically disqualified as a team from the meet if found in the area. Please refer to the attached map. We must honor WDC request to stay out of the residential area of patients/clients of the facility. When coaches pick up packets, they will have to sign an acknowledgement of this new rule.**
- 4. Cars may only park in designated CAR areas.**

**Coaches, please remind parents of these rules as well. We thank you in advance.**
